

COVID-19 Agreement

Students Name.....

Cancellation policy

The cancellation policy is still 24 hours notice otherwise the lesson is chargeable. However if a lesson is cancelled for reasons linked to COVID and it is not possible to do an online lesson instead, the charge will be waived but a 14 day isolation period will need to be observed before I can resume face to face lessons with the student again.

By reading and signing this contract you are agreeing to the following:

1. If the student or any member of the household shows signs of COVID-19 symptoms or has been asked to self-isolate by any government track and trace service they will not attend a face-to-face lesson. (In this case where possible lessons can take place online instead, if this is not possible the missed lessons will not be charged for. Their time slot will be kept available for their return.)
2. If a student begins to show signs/symptoms of COVID-19 after a lesson at any point parents/carers or the student will contact and inform Andrew Clayton.
3. If the student comes into contact with someone who is showing symptoms of COVID-19 they will not attend a face-to-face lesson until they are sure the individual does not have COVID or after a 14 day period has passed, during which there has been no further contact with that person.
4. The student has not travelled to any county or country that is currently in lockdown or has a quarantine period on return since their last lesson. If they have, they are not to attend a face-to-face lesson until the 14 day quarantine period has been fulfilled.

Please answer the following questions:

Are there any underlying health issues I need to be aware of?

.....

Is anyone in the household shielding or considered to be in a vulnerable group?

.....

By signing this contract you are agreeing for me to ask if there has been any change to these circumstances at the start of each lesson.

I agree to all of the above. Signed..... Date.....
